Children's Worker/Pastor Opportunity

Golden Bay Baptist church is a small church set in a thriving community full of young families. As a church, we strive to love God and to love people. We are committed to growing as apprentices to Jesus Christ.

At the moment, we're looking for someone with a heart for helping children both become apprenticed to Jesus, and to grow as His apprentices. You would be helping to oversee the church's current children's ministries, and working towards ways that we can reach other children in our community with the good news of Jesus

As a church, we currently run a Scripture Union program after school at one of the 4 local primary schools. We also run a high-school age youth group every second Friday. On the Fridays in school terms where there is no youth group, there is a discipleship group for the older girls. We are also working in conjunction with another local church to run a Mothers Of Pre-Schoolers (MOPS) program.

We think that this role would be ideal for a Bible College or Seminary student. If you love Jesus, and feel like God might be calling you into church-based ministry, we'd love to talk. The successful applicant will be eligible for and invited into membership of the church. A copy of our church constitution can be found on our church website.

We're currently looking to appoint someone on a 1-day a week basis, with this being reviewed after 6 months. If you're interested, please contact us so that we can talk specifics.

For any expressions of interest, please contact the church secretary at church@goldenbaybaptist.church .
